HAPPY CHRISTMAS AND A MERRY NEW YEAR

The Sponsors, Governors and Staff would like to wish our parents / carers, pupils and the wider community a very happy Christmas and a prosperous New Year.

As we work towards the end of Term 2 we have reflected on all that we achieved since September and would like to thank everyone involved in making the Academy the success that it has become.

Staff and pupils have worked hard throughout the Autumn terms to settle into the brand new building and to form positive, caring relationships.

Our Pioneers have certainly taken everything in their stride and worked hard to achieve success in their learning and progress, sport and the Performing Arts. The Academy Pupil Voice and Sport Councils have been formed, with Eco Warriors, Sports and Form Captains also chosen.

Our overall Academy attendance is excellent, thanks to a significant number of pupils with 100% attendance since September 2010, as well as to those who make every effort to come to school regularly and punctually.

JAZZWORKS

Over 50 Gifted and Talented Performing Arts pupils took part in a music, song and dance workshop as sponsored by Price Waterhouse Coopers.

The day ended by bringing all aspects of the workshop (dance, drumming & singing) together in a final performance.

Architecture Workshop

Talented mathematicians design their own innovative skyscrapers. Some amazingly tall structures were built in the Lecture Theatre.

Author of London Deep, Paul McGory, inspires our future writers.

“Thanks for making me feel so welcome at your amazing Academy. I really enjoyed working with your Year 7s - not only were they 100% on task, I was seriously impressed by the quality of their story ideas! What a creative lot they were.”

Curriculum Links

The Manchester College Chef, Phil Deauville, demonstrates how to garnish food by turning fruit and vegetables into interesting shapes and animals. The pupils particularly enjoyed creating mice out of radishes!

They also had the opportunity to spin sugar - messy but lots of fun!

Manchester Grammar School students enjoy our superb Library facilities, whilst enhancing the study skills of Academy pupils.

The Official Opening of Our Co-located Library.

Councillor Rosa Battle formally opens the Library facilities in front of the Design Cloud Competition Winner from The East Manchester Academy.

Well done Hannah!

Manchester City Chief Executive, Garry Cook, joins City representatives, pupils, the Chair of Governors, John Moran and the Principal, Guy Hutchence, to celebrate the opening of the City in the Community office that is now located within the Academy.

Thanks to all those pupils who gave so generously to Children in Need!

The East Manchester Academy is delighted to have formed a **P**arent **T**eacher **A**ssociation.

Our next meeting is on **Thursday 6th January 2011 at 6.00pm** at the Academy.

All new members are welcome - please contact Mrs Amanda Ram (Parent Governor) or Ms Jill Richford (Staff Governor) for further details.
